REPORT OF SELECTMEN

The financial condition of the Town continued to improve during 1965. \$4000.00 of long term debt was paid off. Despite the unexpected expenditure of more than \$900.00 on emergency repairs to the tower of the Town Hall during the exterior maintenance, it was still possible to finish the year with a budget surplus of income over expenditures. The net debt (current assets less total debt) decreased during the year by \$4677.38.

Town finances is a complicated subject and a brief explanation may make this more understandable. Money collected by taxation is spent in three main categories. First, there is the school budget which is voted at the School District Meeting. The estimated income of the School District is subtracted from the expenditures approved by the voters and the balance is raised in taxes. Second, there is a budget for town government. The expenditures are approved by the voters at Town Meeting and, after the estimated income is subtracted, the balance is raised in taxes. Third, there is a county tax to be raised by local taxation. Each town pays a share of the total county expenses, determined by comparing the individual town's equalized valuation to the total equalized valuation of all the towns in the county.

The voters of the School District and the Town have little control over the amount of income and only indirect control over the county taxes. The only way to control taxes is for the voters to exercise restraint in spending money at the School District and Town Meetings. There, the voters tell the Selectmen how much taxes to assess.

Once the amount of taxes to be raised has been settled, the Selectmen determine the amount of taxes to be paid by individual taxpayers by assessing taxes according to the value of the individual's real estate, livestock, poultry, stock in trade, boats, and machinery. Limited exemptions are allowed by law in some of these items. The law that gives the Selectmen the authority to assess taxes directs them to value all properties at 100% of true value for assessing taxes.

Each two years, the State Tax Commission checks the level of assessments made by the Selectmen and reports to the Legislature the percentage of true value at which assessments were made. If the level is not exactly 100%, an adjustment is made to the valuation the Selectmen have reported, in order to bring

it to the 100% level. This adjusted figure is called the "Equalized Valuation." The equalized valuation is used for pro-rating the Town's share of county tax, for determining the state aid for schools, (Francestown gets none), and for determining the amount of road aid funds for which the Town is eligible. The percentage value is used to determine the maximum equity allowed for veteran's exemption. (90% level allows \$9000.00 equity).

The equalization of valuation is done to put all towns on the same basis for the purposes mentioned above and for any other purpose involving the comparison of valuation of one town against another. The percentage level or the equalized value has no effect on an individual's taxes, which are determined by the total voted to be raised in taxes and by the Selectmen's appraisal of the value of an individual property as compared to others. The Tax Commission determined that the Francestown level of assessments for 1965 was at 88% of true value. If the Selectmen had raised each individual assessment to the 100% level, as determined by the Tax Commission, each tax bill would still have been the same.

The Selectmen will be pleased to answer further questions on this subject that are addressed to them. "Thank you!" to the many who supplied plans or sketches of their property boundaries last year. We urge the rest to do this in 1966.

Respectfully submitted,

Charles N. Eggert

Art. 3. Voted to authorize the Selectmen to borrow a sufficient sum of money to pay current expenses in anticipation of taxes.

Art. 4. Voted to make the following amendments to the Zoning Ordinance.

Delete Section 3, Paragraph c and Modify Section 3, Paragraph a to read as follows:

3. Lot measurements and setbacks

- a. A building shall not be erected or placed on a lot that does not meet both of the following requirements:
- (1). At least one acre in area, and
 - (2). At least two hundred feet frontage on a State road, a Town road, or a road in an approved subdivision.

Paragraph 3 (a) shall not apply to lots of records on March 10, 1964.

Modify Section 3, Paragraph b to read as follows:

3. b. Setbacks

- (1). A building shall not be erected or placed closer than seventy-five feet to the center of a State road, a Town road, or a road in an approved subdivision with the following exception:

On a lot where an existing dwelling, barn or garage is located less than seventy-five feet from the center of the road, the proposed building shall not be erected or placed closer to the center of the road than the said dwelling, barn or garage.

- (2). No setback is required from the shore of a great pond by this ordinance.
- (3). A building shall not be erected or placed closer than twenty-five feet to other boundaries unless written consent of the property owners within twenty-five feet of the proposed building location is filed with the application for a permit.

Add a new paragraph to Section 4.

- e. If construction of the building for which a permit has been

issued is not begun within one year from the date of issuance, said permit shall expire.

Modify Section 5, Paragraph c to read as follows:

A permit shall not be granted for a house trailer or mobile home without the written consent of the owners of all property within 1000 feet of the proposed location. Such consent shall be presented as part of the application for a permit.

Modify junk yard regulation by adding the following to Section 6:

The foregoing notwithstanding, the Board of Selectmen may approve the moving of a motor vehicle junkyard that was in existence on March 13, 1951 to a more secluded location.

Art. 5. Voted to indefinitely postpone this plan and replace it with the adoption of a plan set up by the abutters and to record the new boundaries. Copy to be filed with the Town Clerk.

Art. 6. Voted to place in the Capital Reserve Fund (Town Buildings) the balance of \$12.00 left after Library repairs.

Art. 7. Voted to establish a Town Conservation Commission as set forth in RSA 36-A.

Art. 8. Voted to raise and appropriate the sum of \$168.36 (six cents per \$1000.00 of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote, and preserve the natural advantages and resources of the Town in cooperation with the other 37 towns of the Monadnock Region.

Art. 9. Voted to instruct the Selectmen to turn over to the Fire Wards a balance of \$69.14 remaining from the insurance payment for ladders.

Art. 10. Voted to raise and appropriate the sum of two hundred dollars (\$200.00) said sum to be placed in a Capital Reserve Fund for future replacement of Fire Department radios.

Art. 11. Voted to raise and appropriate the sum of three hundred dollars (\$300.00) to be placed in the Capital Reserve Fund for replacement of Fire Trucks.

Art. 12. Voted to adopt the regulations under Chapter 251 Laws 1947 as amended covering the installation of power burners and oil burning equipment.

Art. 13. Voted to authorize the Trustees of Trust Funds to withdraw all the remaining balance of interest in the Capital Reserve Fund for replacement of Fire Station and turn the money over to the Fire Wards.

Art. 14. Voted to indefinitely postpone this Article.

Art. 15. Voted to accept the proposal of Henry C. Humphreys concerning the leasing of an area for a Town Beach as set forth in a proposed lease transmitted in 1964 to the committee appointed by the Francestown Improvement Society.

Art. 16. Voted to raise and appropriate the sum of \$200.00 for a fence and improvements and authorize the expenditure of this money under the supervision of the committee mentioned in Article 15.

Art. 17. No action taken because Article 15 was passed.

Art. 18. Voted to adopt the policy of sealing five miles of black top road annually and raise and appropriate the sum of one thousand dollars (\$1000.00) to be used with the summer road appropriation for this purpose.

Art. 19. Voted to take action on the report of the Advisory Board concerning Town Hall repairs and vote to appropriate (\$1400.00) one thousand four hundred dollars from the Capital Reserve Fund for Town Hall and to raise and appropriate (\$1600.00) one thousand six hundred dollars for this purpose.

Art. 20. Voted to authorize the Cemetery Commission to establish lot prices, perpetual care fees, rules and regulations pertaining to the new cemetery.

Art. 21. Voted to accept the reports of Agents, Auditors, and Committees heretofore chosen as printed.

Art. 22. Voted to adopt George Kunhardt's resolution.

Resolved that:

Whereas it seems reasonable and desirable for the Town of Francestown to be included in a Representative District of the General Court of the State of New Hampshire with other adjacent towns, and

Whereas the population of Francestown is 495, Greenfield 538 and Bennington 591, are approximately equal and total 1624, and

Whereas the said towns have common problems and are all tuition towns of Peterborough High School.

We therefore wish to petition the General Court and the Redistricting Committee to give consideration to placing said towns of Francestown, Bennington and Greenfield in one Representative District.

Voted to remove the age restriction of who can play basketball in the Town Hall.

Voted to have the Town Clerk write a suitable note of thanks to Barbara Morgan thanking her and the other youths for their gift of money to go towards the renovation of the Town Hall.

Herman C. Miller, Town Clerk

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 19, 1966

Board of Selectmen
Francestown, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Francestown for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Cemetery Commission, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1964 — December 31, 1965: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$4,669.98 during 1965.

Analysis of change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Long Term Notes Paid	\$4,000 00	
Net Budget Surplus	654 92	
Increase in Accounts Receivable	23 28	
	—————	\$4,678 20

Increase in Net Debt

Tax Collector's Excess Debit (Net)	\$ 6 12	
Decrease in Town Clerk's Cash on Hand	2 10	
	—————	8 22
		—————
Net Decrease		\$4,669 98

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues:

(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$346.66, plus a net unexpended balance of appropriations of \$308.26, resulted in a net budget surplus of \$654.92.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$669.98, from \$7,617.18 to \$8,287.16, during the fiscal year ended December 31, 1965, as shown herewith:

	Dec. 31, 1964	Dec. 31, 1965
<i>Total Assets</i>	\$45,708 64	\$40,258 62
<i>Current Liabilities</i>	38,091 46	31,971 46
	<hr/>	<hr/>
<i>Current Surplus</i>	\$ 7,617 18	\$ 8,287 16

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Francestown for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Lionel J. DeGrace, Auditor
Charles T. Carroll, Accountant

Books and Magazines given to Library by the following:

The Misses Anderson and Bare, Donald Born, Phyllis Cleaves, Mrs. C. Eggert, Mrs. Arlene Foster, Mrs. Carol Foote, Mr. Gray, Harry Hill, Mrs. Roger Hamel, Miss I. Hirst, Carrie Lord, Marie Muzzey, Miss Eleanor Ricker, Mr. Wiggins, Dr. and Mrs. Tewksbury, Ina Mills and Mrs. Howell.

World Tennis Magazine (anonymous).

Books given in memory of: Irma Ludwig.

Mrs. Betty Koontz kept the reading list quite up to date by the many books she ordered from the Conference list. We are very happy to have a special corner for the "Church Readers, books" which are also read by many others.

Peggy Jones earned her Girl Scout badge learning Library techniques by helping out at the Library.

Janet Jones was the paid assistant.

The Library is open on Wednesdays at 12:30 to accommodate the school children. My sincere thanks to all my willing helpers.

The oversized mail slot on the outside of Library entrance is really a "BOOK RETURN" slot.

Again I wish to thank the Trustees for their continued co-

operation in making the Library such a pleasant place for the public to come to and for their kind assistance to me at all times.

Respectfully submitted,
Ingeborg Anderson, Librarian

REPORT OF LIBRARY TRUSTEES GEORGE HOLMES BIXBY MEMORIAL LIBRARY

Having re-done the Children's room, we were encouraged to plan and work out ideas for remodeling the two front rooms. Adjustable book shelves were built to order, thus using all available wall space. A lighting engineer made recommendations which were followed, and the Library is very grateful to Mr. Ralph Harding for the donation of this service.

The soapstone room upstairs — damaged by storm — has new wallpaper and a freshly whitened ceiling. The woodwork has been painted throughout the building except for the two upstairs front rooms. The upstairs and downstairs halls are being papered, the walls having been repaired and the ceilings whitened.

Generous gifts and money-raising projects have made it possible to make these improvements. We wish to express our deep appreciation to the Village Improvement Society for their financial help and to other donors for their generosity. We owe a tremendous debt of gratitude to Mrs. William MacAdam and her fine committee for so ably putting on a fashion show and bridge-tea at the Ski Lodge — a most successful venture.

The Library received from the Will of Agnes Lois Gardner the sum of \$933.98 in memory of Frank Gardner. Mr. Gardner was an engineer at the Soapstone Quarry and the family lived in the so-called Chandler house in Mill Village.

During the summer, Mrs. Anderson took a course in Cataloguing sponsored by the State Library, and is now re-cataloguing the Library which is a tremendous undertaking. She hopes to attend classes in Book Selection next spring at the Book-mobile Office in Keene.

The Library joined the Statewide Library Development Program and as a charter member received reference books of its choice valued at \$125.00. The Library is represented by a Trustee who is a member of the District Advisory Committee and

attends quarterly meetings at the Keene Bookmobile Office. The Librarian and Trustees also attend Book Selection Meetings.

The parents of school children had a successful auction at the Town Hall to raise money for Art classes at the school. All the art objects to be sold were first on exhibition at the Library where they stimulated much interest.

During Library week, the Library was open every day. One of the special events was an illustrated talk by an archaeological student, Glenn Little, from Nathaniel Hawthorne College on the Lost Village in Francestown. We thank Mr. William Riley very much for making this possible. Also, the Library served tea to members of the Guild and their guest following their very interesting program of Book Reports.

The Library rooms have been used for discussion groups and for a class in cone wreath-making.

Many young people have helped at the Library: charging out books, putting them back on the shelves, and doing clerical work; and one Girl Scout earned her Library Badge by volunteering 40 hours' work. The Library appreciates this very much.

The Library is grateful to the townspeople for their help and stimulation in this year's growth.

POLICE DEPARTMENT

The Police Department reports the following activity for the past year:

Accidents	9
Larceny	3
Breaking and Entering and Larceny	3
Hit and Run Accidents	2
Abandoned Cars	2
Stolen Bicycle	1
Stolen Car	1
Complaints (miscellaneous)	22
Dog Complaints	6

A total of 29 hours and approximately \$50.00 were spent checking on Town Beach at Scobie Pond. Approximately \$60.00 was spent on patrol weekends when the ski area was operating. This figure would have been much higher if we had had any snow in December.

Any person operating a motor vehicle which is in any manner involved in an accident in which any person is injured or resulting in damage to property in excess of \$50 (combined total) shall within forty-eight hours report in writing to the Director of Motor Vehicles on a prescribed form. Forms are available from any of the officers.

Norman Stewart, Chief of Police

FIRE DEPARTMENT

Board of Selectmen
Francestown, N. H.

The Fire Department hereby submits its annual report and financial statement for 1965, together with the budget for 1966.

In 1965, the Department answered seventeen alarms as follows; Four Mutual Aid calls for assistance to other Towns, five local alarms and eight calls to our DUMP.

In order to reduce the expense of men and apparatus at the dump we are establishing a new type of Fire Control for that area.

It is to be noted that the insurance payment was not sufficient to cover the cost of two new ladders to replace those lost

in the October, 1964 fire. We had one spare usable ladder and purchased one new ladder. The balance of the insurance payment was treated as income.

By using radio control for alarms of fire we have saved the Town approximately \$225.00 per year over the previous use of "Red Phone System".

The Fire Wards believe that the apparatus and equipment to be in good condition and with the possible exception of obsolescence of the Pumper, should serve the Town for several years.

The Fire Wards try to maintain the Department at the lowest possible cost commensurate with normal needs.

Respectfully yours,

Paul Bradbury

Clifton Foote

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much drier than normal year, but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We must all be careful:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish, preferably at the town dump. If you must burn rubbish or brush:
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread the fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF ADVISORY COMMITTEE

The first phase of a program to improve the Town Hall was carried out in 1965. Major work that was completed consists of exterior painting, installing new front doors. The procedure of requesting bids based on detailed specifications written by the Advisory Committee was used, with noted savings to the Town. Close inspection of the bell tower on the Town Hall showed the need for repairs. This work was completed before painting.

The program suggested by the Advisory Committee for this year, as detailed in the Town Report of 1964, is as follows: new fluorescent lighting to be installed before painting the interior ceiling at an estimated cost of \$400.00; plumbing improvements such as the installation of shut-off valves, and winterizing the toilets, at an estimated cost of \$170.00; painting the ceilings and woodwork would be approximately \$900.00; panelling the walls of the main hall is estimated at \$1500.00. The total estimated cost for the suggested improvements for 1966 is \$3000.00.

The grounds of the Town Hall, or Common, were mentioned in last year's Report. Bumper blocks of either cast cement or split logs were suggested to protect the grass area. This project could still be accomplished by the Town Road Agent.

The suggested cost of improvements is based on an average of two preliminary bids, which might make the final cost higher or lower.

Once again, we would like to remind the townspeople that this program was deemed necessary, as shown by their vote, and is in addition to other repairs and maintenance of Town Buildings.

REPORT OF FRANCESTOWN PLANNING BOARD

As a result of the various amendments which were passed by the town at Town Meeting on March 9, 1965, the Zoning Ordinance, together with the Subdivision Regulations previously adopted, has proved to be effective in guiding the orderly growth of the town.

Several cases involving these matters were presented to the Board during the course of the year and were appropriately dealt with.

There are certain aspects of the continuing activity in building lots which are of increasing importance. Since the town has no Building Code, any decisions in this area are forced to come under the wise discretion of the Selectmen, and it may be desirable to free them from this problem by setting up a Building Code. Such a code could properly include more definite Health, Sanitary and Sewage Disposal Regulations which are of particular importance in the case of lake front property.

These matters are currently under consideration by the Planning Board, and will be put forth for the approval of the town in due course.

REPORT OF THE HISTORIAN

During the summer, the outside of the Town Hall was painted white, the rear roof re-roofed and repairs made on the belfrey.

The Post Cane was presented to Miss Alice Hall, the oldest citizen of the Town.

The State of New Hampshire right-of-way to the beach at Scobie Pond was changed to 137 feet north of the former location. The Town leased 150 feet, more or less, of beach from Henry Humphrey, for 25 years for \$1.00, with the option to renew the lease in 25 years.

One acre, adjoining Number 3 cemetery, southerly, was excavated, filled in, grass seeded and nearly completed so lots can be laid out and sold.

At the close of 1965 the following young men were in the United States Military Service:

Thomas Bixby, stationed in Massachusetts

Norman Burns, stationed in North Carolina

Clyde Cilley, stationed in Vietnam

Jerry Cilley, stationed in Texas

Bradford Cleaves, stationed in Vietnam

Thomas Curran, stationed in Alaska

Harry B. Hardwick, stationed in France

George Morgan, stationed in Virginia

Kenneth Wheeler, stationed in Vietnam

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission created by the vote of the last Town Meeting has been convened and has held several meetings. These meetings were mostly of an exploratory nature, the members trying to determine how the Conservation Commission can best serve the interests of the Town. It was decided that as its first project the Commission would actively support the building of a picnic area on the Village Improvement Society land between the tennis court and the ball field, and to institute any applicable good forestry practices in the area.

Contact has been made with the Soil Conservation Service in this area, and in the coming year we hope to join the Soil Conservation District as a cooperator representing Francestown. This will open further areas of information and assistance to us on conservation matters.

The Conservation Commission was also represented in Milford this fall at a meeting of the local Rural Areas Development Committee, where soil maps and their uses were discussed. We were also able to secure a soil map of Francestown.

REPORT ON THE MONADNOCK REGION ASSOCIATION To the Town of Francestown

The Monadnock Region Association maintains a building of its own at the junction of Routes No. 202 and No. 101 at the Peterborough By-Pass. This combination showroom and information center is staffed by a full-time receptionist-office secretary and an executive secretary who divides his time between the office and the field.

Aside from fixed charges and overhead, the bulk of the money received is used for promotional work, and includes such items as 30,000 Regionaires, 30,000 summer folders, 25,000

fall foliage folders, and tour maps, 25,000 winter ski and sports brochures and maple syrup bulletins. Four season vacations are emphasized. Apple blossom, laurel and fall foliage tours are publicized and posted in season.

The Association sponsors 4-H activities, high school bands, the N. H. Philharmonic Orchestra, agriculture, industry, and the hotel-tourist trade. In addition, as occasion arises, the Association lends its weight for better roads, better and more picnic areas, better hunting and fishing with protection to land owners, better forestry practices and, in short, for all things that tend to make the Region more livable and attractive.

Our exhibition facilities are open and available to anyone in the Region. The local public, as well as the tourist public, are welcome at headquarters anytime.

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of
Francetown qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the fourth day of March 1966, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to raise and appropriate a sum not to exceed \$500.00 to provide Art instruction for the children of the Francetown school, or take any action relating thereto.

10. To see if the District will vote to raise and appropriate a sum not to exceed \$200.00 for the purpose of reimbursing families for the transportation of pupils who choose to attend high schools other than Peterborough, except that no family will be reimbursed at a rate of more than \$50.00 per student, nor will payments be made to those for whom the district has no tuition responsibility; said sum shall be distributed as the school board may direct, or take any action relating thereto.

11. To see if the District will vote to raise and appropriate a sum not to exceed \$9,000. to provide for the education of seventh and eighth grade children of Francestown at the Peterborough Junior-Senior High School and to also provide transportation to said school, or take any action relating thereto.

Given under our hands at said Francestown this 11th day of February, 1966.

Special Health Activities

This year Dr. Duhaime held a Dental Clinic for the Francetown School. Three children were treated. This was sponsored by the Parent Teachers Club.

The State Department of Health held a T. B. Clinic for all school children. No cases of T. B. were found.

The pre-school clinic was held in May.

I wish to thank all concerned for all the cooperation given me in regards to the School Health Program.

ANNA L. SAMPSON, R.N.,
School Nurse

SUPERINTENDENT'S REPORT

To the School Board and citizens of Francestown, I respectfully submit my eighth annual report as your superintendent of schools.

Staff and Instruction

Two changes in staff were made this year with the hiring of Miss Aileen White, a graduate of New England College, to teach the first and second grades, replacing Miss Mary Lawton. Mrs. Isabel Nichols of Antrim was hired to replace Mr. Paige as music supervisor.

One of the fundamental responsibilities of elementary schools is to properly prepare young people for entrance into high schools of the area. To my knowledge, no detailed survey has been made as to the success of our graduates at high schools. This probably would be a worthwhile project for someone interested in evaluating the overall school program. Quite informally, a survey was made by Mr. White of last year's ten graduates from the Francestown school. Five of these graduates at the end of the year had achieved honor grades in Francestown. At the end of the first marking period in high school, four of these youngsters had achieved honor grades. Of all children attending high school in the first quarter only one failing mark was received. Only one grade of "D" was received. Six grades of "A" were received, sixteen grades of "B" and ten grades of "C". In spite of the fact that marks during the first quarter might be the lowest, due to the many adjustments that a small town student might have to make to life in a larger school, it seems that these youngsters have been adequately prepared academically for attendance at high school. Thus the improvements in our curriculum, especially in the fields of reading and in mathematics, which apparently are successful, are to be continued.

Even though these youngsters have done well, ways are always being sought to improve the quality of education for our young people since it is becoming increasingly vital each day to be well educated. The most important thing that could be done in Francestown to improve the quality of education would be to send seventh and eighth grade pupils to a departmentalized junior high school, such as that which is provided in Antrim or Peterborough. This kind of educational offering would allow for ex-

ploratory experiences in Shop and Home Economics which are not available within the Francestown school. In addition, it might be possible for youngsters to take part in other courses that provide a more adequate background for ninth grade work. Some of these might be in the fields of Art, Mathematics or Foreign Languages. The School Board appreciating the importance of this kind of educational offering for young people in these grades, is inserting an Article in the Warrant giving the townspeople an opportunity to vote on this issue.

Good education costs money and this kind of an offering for seventh and eighth graders would cost money. An additional cost of approximately \$465 to \$475 per pupil will be necessary to provide tuition funds for this education plus the costs of transporting the youngsters to a school. This course of action on the part of the school district would continue education for grades one through six in the present school building with just two grades per class. This would be a definite improvement over the present elementary school structure.

The Francestown Parents' Group has provided funds this year for the offering of Art to all the children of the school at no cost to the children involved. These classes take place in the afternoon, part of the time being within the school day, and part of the time outside the school day. Mrs. Beatrice Orchard of Peterborough has agreed to provide the instruction and has done an exceptionally fine job with the children of the school.

Another Article has been inserted in the Warrant to make the provision for this kind of instruction a regular part of the school program.

Building and Grounds

Progress on the school grounds continues this year at a little bit slower rate than in some of the years in the past. The only improvement being contemplated by the Board is to construct a pair of basketball backboards in the new tarred area. Within the building itself, money is provided in the budget under Item 735, for the painting of the interior of the school, upstairs. This would involve sufficient funds it is hoped to paint this entire floor. This painting has not been done for some seven or eight years now and appears to be quite necessary. In addition, some funds are provided within this item to tile the lavatory areas which, in their present condition, are very difficult to maintain.

Finance

There is very little change in the budget being presented this year in comparison to the budget for the current year. In the 210 series "Salaries," some nominal increases are being provided for the teachers of the school staff. In the 500 series under "Transportation," an increase of about \$400 appears. This will budget for transportation expected to be necessary in the Bible Hill area. The other area of major increase is in the 1477.1 series covering "Tuition." The tuition costs have increased overall about \$3600, due almost exclusively to an increase in the tuition cost at Peterborough High School from \$570 to \$671 for the coming year. The number of youngsters actually being educated at the high school level is approximately the same as the number that are attending this current year. This results in an overall budget of approximately \$54,400, an increase of about \$3600 over the current year and, as previously indicated, practically all of this increase is due to an increase in tuition costs over which little control can be exercised. The net assessment for tax purposes would be appropriately more than this year, due to the fact that the income being anticipated at this time for the coming year is about the same as that which was actually received in the past year.

Special Articles

Three special Articles appear in the Warrant, two of which have already been referred to. A third Article relates to providing funds for transportation of high school students to schools other than Peterborough which has been provided for by the town in the past.

Conclusion

There is a high correlation between the quality of education being provided within a small school and the stability or continuity of the staff. This is a problem that all small schools face including Francestown, and one that very definitely effects educational quality. Every effort should be made to hold onto good teachers since they, in effect, make the school. Strong support of their efforts makes them even better teachers.

The Francestown school is providing a good education . . . if records of its graduates at high school is any indication. The School Board has never questioned purchases requested to im-

prove quantity and quality of education and their cooperation in this respect and the cooperation of many others is sincerely appreciated. Many citizens of the town have a sincere, healthy and active interest in the offerings of the school, which has kept us on our toes, but has also helped to develop a good school. The understanding and cooperation of all is appreciated.

Respectfully submitted,

Kenneth A. Sargent
Superintendent of Schools
